McDonald's CSR Challenge

Case Summary

Brand Marketing report in April 2010 **revealed disconnect** between McDonalds **newest CSR initiatives** and **customer perception.**

What did this disconnect look like...

What did this disconnect look like...

- People never noticed the new logo

NEW

Environmental Commitment

OLD

What did this disconnect look like...

- People never noticed the new logo
- Didn’t view McDonald’s as socially responsible

What went wrong?

- Communication gap
- Skepticism about motives
- Perception gaps from customers and employees
- Scattered projects, no strategic plan

Issues

Issues

ONE-WAY COMMUNICATION

- Informs costumers, doesn't listen
- "Responsibility" defined by their point of view

Issues

ONE-WAY COMMUNICATION

- Informs costumers, doesn't listen
- "Responsibility" defined by their point of view

PASSIVE COSTUMERS

- No way to follow/take part in CSR efforts
- Programs happen behind the scenes

Issues

ONE-WAY COMMUNICATION

- Informs costumers, doesn't listen
- "Responsibility" defined by their point of view

NO CREDIBILITY

- Claims aren't backed by evidence
- Strong partners are barely communicated
- CSR just for image

PASSIVE COSTUMERS

- No way to follow/take part in CSR efforts
- Programs happen behind the scenes

Issues

ONE-WAY COMMUNICATION

- Informs costumers, doesn't listen
- "Responsibility" defined by their point of view

NO CREDIBILITY

- Claims aren't backed by evidence
- Strong partners are barely communicated
- CSR just for image

PASSIVE COSTUMERS

- No way to follow/take part in CSR efforts
- Programs happen behind the scenes

ASSOCIATIONS WITH FAST FOOD

- Health: Super Size Me image
- Environment: packaging waste
- Employees: “McJobs" stereotype

Progress towards our example goal
62%
of example annual goal
We're on track to recycle more packaging this year, with bigger progress ahead.
How we count
We track eligible packaging returned through in-restaurant collection, weigh and verify it, and record it for this dashboard.
Last updated
30 June 2024
What still needs work
Some packaging, such as certain food wrappers and composite materials, is harder to recycle. We're testing new solutions and working with suppliers to do more.
Small returns make a big difference.
Help us keep packaging in use. Return eligible packaging at participating restaurants.
Good things add up.

#SCANTHESTORY

How it works

4 STEPS TO PLAY

1. **FIND**
   Follow the clues in our Stories to a QR code hidden in Vienna.
2. **SCAN**
   Open the McDonald's app and tap "Scan the Story".
3. **WIN**
   Your reward appears in the app, ready to use.
4. **MEET A FAMILY**
   Every code unlocks the story of a real family.

SWIPE →
#SCANTHESTORY

The map

6 SPOTS. 6 CODES. 6 FAMILIES.

Every code unlocks the story of a family who stayed at the Ronald McDonald Kinderhilfe house in Vienna, close to their child in hospital.

SWIPE →
#SCANTHESTORY

Rewards

THE MORE YOU FIND, THE MORE YOU WIN.

1 CODE	Free medium fries
3 CODES	Free McFlurry
6 CODES	Free menu + "Golden Hunter" badge in the app
+€1 EVERY SCAN	goes to the Ronald McDonald Kinderhilfe

SWIPE →
#SCANTHESTORY

A family

BEHIND EVERY CODE: A FAMILY.

~1,700

families a year stay in a Ronald McDonald Kinderhilfe house in Austria, close to their child in hospital.

Each code unlocks one family's story from our Vienna house, shared with their permission.

mcdonalds now

Question from a follower (example)

Is your packaging really recycled?

90.93%

of our guest packaging is renewable, recycled or certified. It was 50% in 2018. The goal is 100%.

95% of the packaging collected from customers in our restaurants is recycled.

Not 100% yet. We say it out loud.

more on our site → Our progress page

McDonald's

Progress is easier to trust when you can check it. On selected packaging, a QR code would lead to our goals, our results and the gaps we still have to close.

Guest packaging from renewable, recycled or certified materials: **90.93%** at the end of 2024, up from 50% in 2018. The goal is 100%.
