# HOW TO START YOUR BUSINESS

*5 Tips from our Founders*

# DIEGO:

## AGE 26, FOUNDER OF DIVEINSIDE

“Don’t start thinking about money. Start with a problem you deeply care about. If the mission connects to who you are, you won’t give up when it gets hard, and it will get hard. Always build from purpose.”

# MARTİN:

## AGE 21, CO-FOUNDER OF SYNEX

“A good team is one in which everyone is specialist in non-overlapping areas and knowledgeable enough in their cofounder areas to ask the right questions and provide feedback.”

# DERİN

## AGE 20, FOUNDER OF YEŞİL DÜNYAMIZ (OUR GREEN EARTH)

“Have a core value that you believe in and stick to that value no matter how your business evolves, don’t let others completely change the path you want to take.”
