Reach
Influencer collabs & creator storefronts

TikTok

- Large following
  - Strong visibility & reach

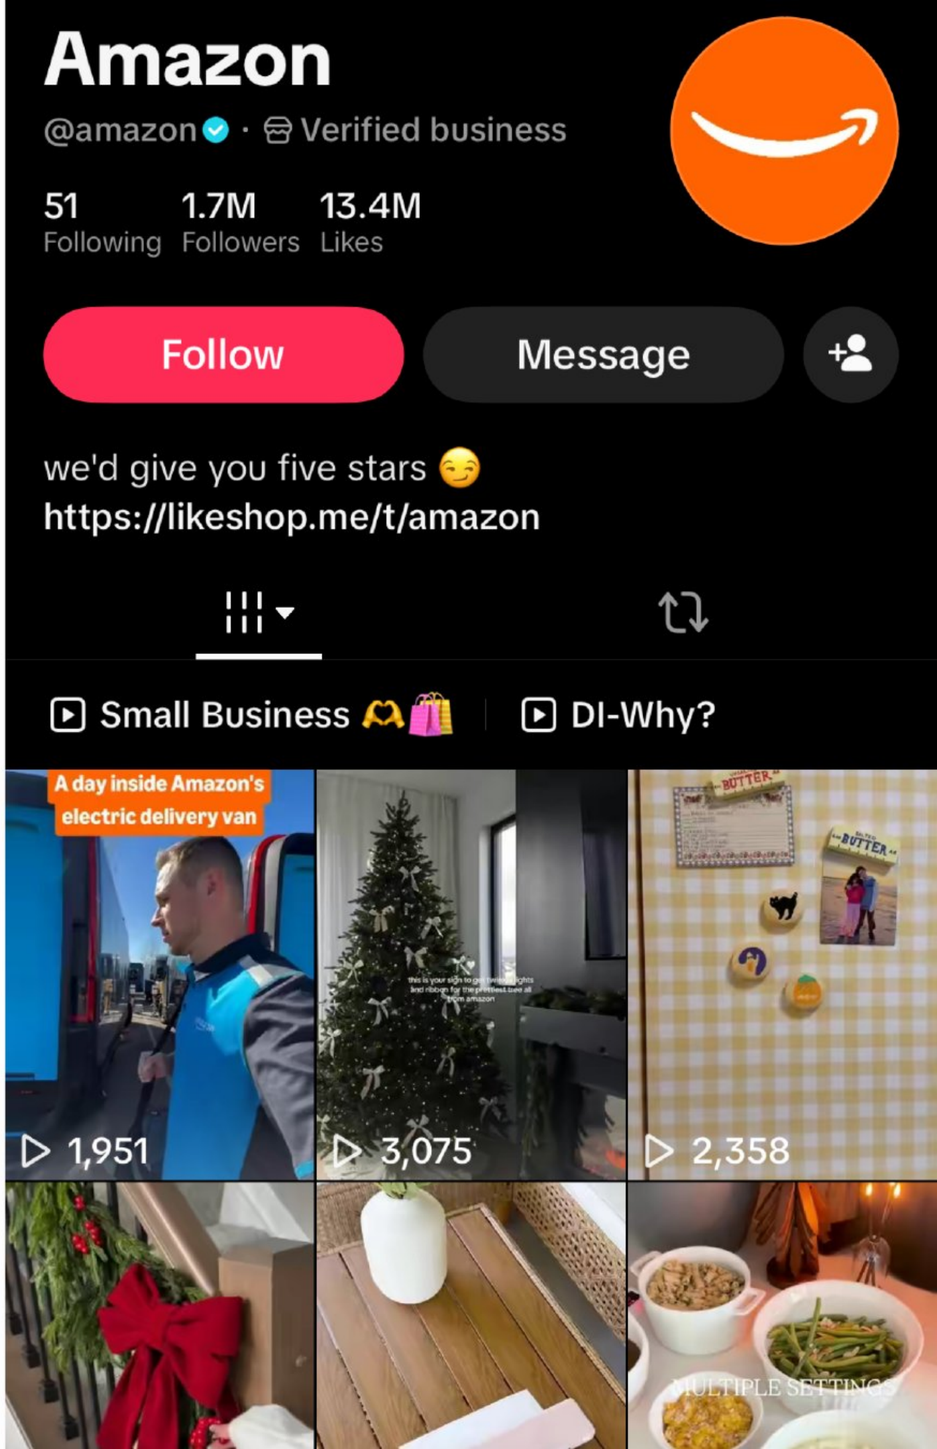

- Informal tone
  - Humanizes brand & makes more approachable

- Content
  - Relates to cultural events & trends, high emphasis on collaborations and user style videos
  - Authenticity

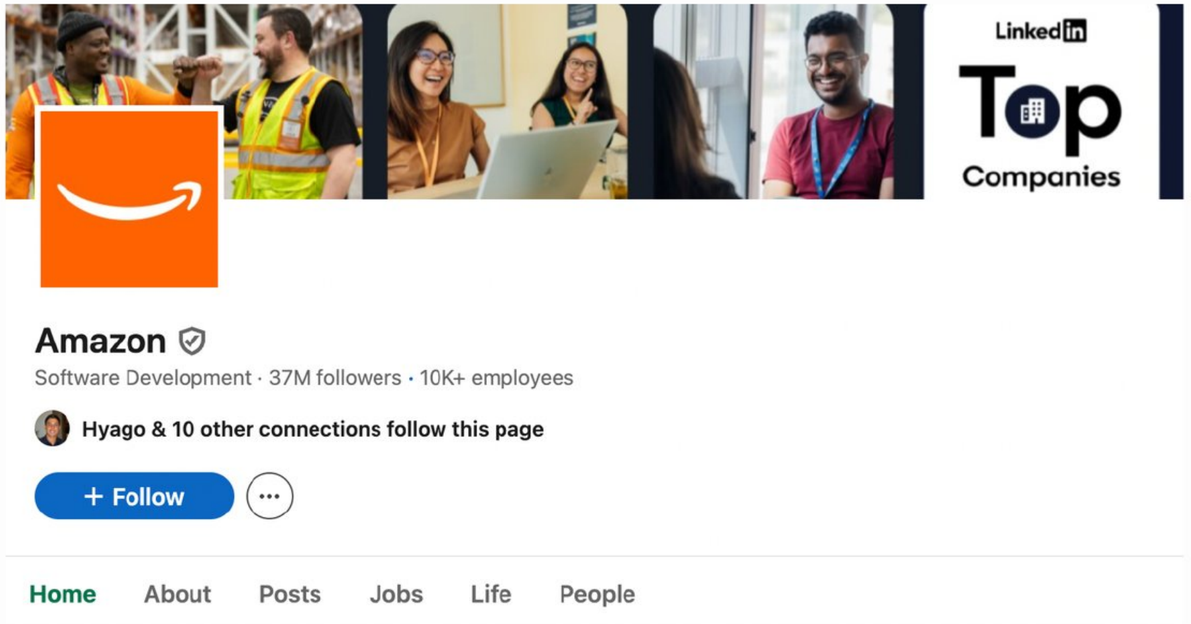

TikTok

- Amazon uses “TikTok Made Me Buy It” culture to turn viral product discoveries into purchases.
- Selected Amazon advertisements allow users to shop directly through TikTok without leaving the app
- Amazon’s videos often resemble creator content making promotions feel more authentic.
- Amazon’s Prime TikTok account grew by using humor, trends and inclusive pop-culture content.

LinkedIn

Professional tone, B2B

Content

- A lot of videos, mainly visual content
- Usually little text describing the video/subject of the video
- Funny content (similar to TikTok)
- Posts somewhere between once every month to once every 2 weeks (not so often)
- Behind-the-scenes content

Image

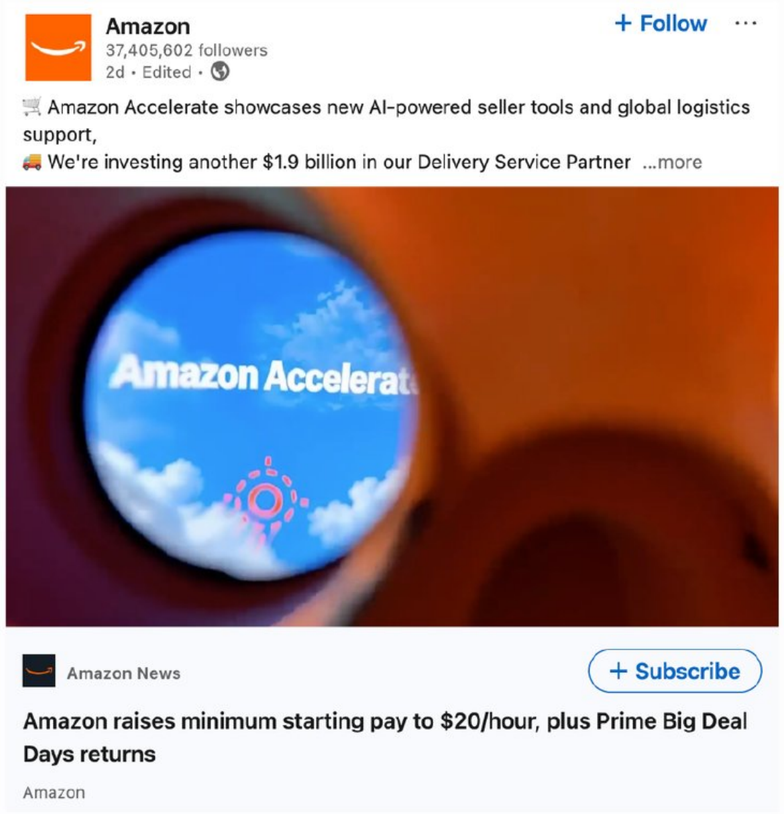

- Innovative, leader company
- Fun environment to work → approachable
- Fosters human connection
- Fosters growth
- Amazon seems to clealry value employee relationship

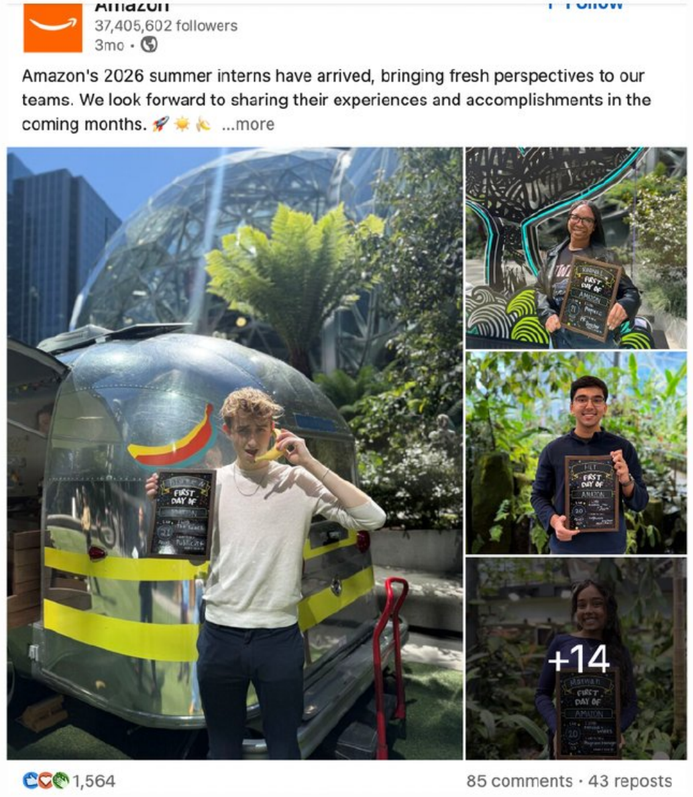

Strategy

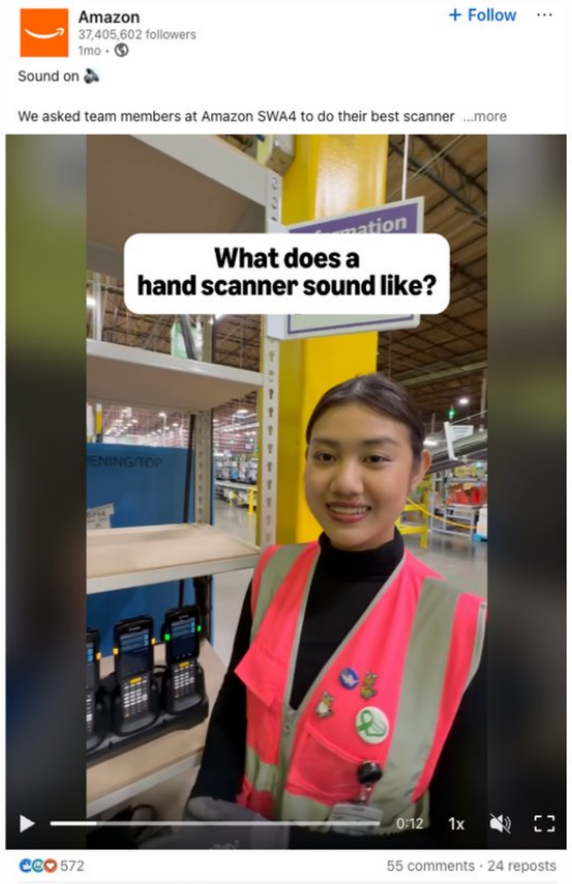

- Audience segmentation/niche posts in smaller accounts
- Different brand identities
- Main page is focused on innovation and employee relation
- Funny, interactive content (holds attention of bigger crowd); helps build main brand image
