Less than 2% of garment workers earn a living wage.
They don't get a choice. You do.
...someone else paid the price.
Cheap for you. Costly for them.

Buried By Fashion

Over 100 billion garments are produced every year. Most are worn less than 10 times.

BUY LESS. SHOP SUSTAINABLY.

It was a
good deal,
right?
Small, aligned choices create real change.
Buying a little less can save money and reduce waste.
